

**Local Capacity Building Workshop:
"Quality Assurance: Title of Excellence"**

The Chamber of Commerce and Industry Hunedoara and The National Centre for TVET Development organises the workshop entitled "Quality Assurance: Title of Excellence" at the County School Inspectorate Hunedoara, on February 22nd, 2018.

The stakeholders meeting is organised as part of the transnational project "Learning by Doing" and aims at stimulating local impact through strengthening capacities of all relevant initial VET local actors. Consequently, the participants are representatives of education, employers, local main public authorities, county agency for occupation, NGOs, trade unions. Most of them are members of the Local Committee for the Development of Social Partnerships (LCDSP) created in order to ensure a better connection and real partnership between school offer and employers needs.

The stakeholders shall analyse the present situation, challenges and invite the local schools to apply for the *Title of Excellence, Edition 2018* for appreciation of their contribution to the initial VET correlated with labor market.

The project "Learning by Doing" is financed by the European Union through the Transnational Cooperation Programme for the Danube Region and addresses the fourth thematic priority of the Transnational Cooperation Programme for the Danube Region: a well-governed Danube region: providing support for the implementation of the EU Strategy for the Danube Region and improve the legal frameworks and policies to address major societal challenges, such as measures on the labour market, education systems, demographic changes, etc. It is coordinated by the Hungarian Chamber of Commerce and brings together 24 partners among which the National Centre for TVET Development and the Chamber of Commerce and Industry Hunedoara.

The workshop will contribute to the improvement of all relevant VET actors' capacities through reinforcing national, regional and transnational partnerships in order to facilitate the development and strengthen existing VET systems in the Danube region countries.
